5. To establish rehabilitation centres (chalk-piece making, tailoring, Book Binding and candle making) for socially economically backward persons including disable and make them to earn their lively hood.
6. All other objectives of the organization are non-discriminative (Political, Gender, Social, Economical, Cultural and Tribal).

Achievements of ARDVO in last four years:

In short span of four years the organization has been developed and recognized as one of the leading Training Centres with the provision of serving the needy children starting from the stage of identification to empowerment/employment with better sustainability and quality in the community. The following are the achievements of ARDVO:

1. ARDVO began its journey by taking two students. Currently the organization was successful to identify the students who are in need of help and the strength of the students increased to seventeen.
2. ARDVO was successful in motivating the managements of private main stream schools and colleges to join visually impaired students into their institutions. Currently there are 12 schools and 3 colleges who came forward to join our students into their institutions. Hence the organization was successful in providing Quality and inclusive education for these students.

3. The organization was successful in training the visually impaired students in computer and personality development. Till now 8 batches (35) students have completed their training from our institute. The organization provided demo versions of Jaws & Kurzweil soft ware's along with computer material to the trainees. Most importantly all the students residing in our hostel can work on computers.
4. The Organization made '34' minutes documentary film (Simhapuri Sirulu, on the history of Nellore) this movie was directed and scripted by B.S.Kumar a visually impaired person. By 3rd December 2012 the Organization was successful in marketing 2100 C.Ds. The money received was spend for the welfare of the students.
5. Organization was successful in creating awareness regarding eye donation and blood donation in general public. By 3rd December 2012 the organization gathered 10 pairs of eyes and gathered blood from 234 individual and submitted to eye bank and blood bank in Nellore. More than 500 people pledged to donate their eyes.

Future planning projects:

In next five years ARDVO has made a road map to implement the below mentioned projects:
